

Myrtle Bergren 2.2.

fancy, do it up brown, so I was cooking waffles for about 20 people. And you know, after I'd worked all day on the dance and danced all night too. And Bergie, well. nobody helped me, just Owen Brown. So after that, I figured he'd (Bergie) better help too, because to me, socialism meant equality, and it didn't mean that the women did all the work while the men sat around, you know.
